

Simply Thrifty Application

Simply Grace exists to help women recovering from substance abuse. We are a nonprofit organization that aims to provide women with quality, safe, and affordable sober living! We offer women structured accountability that sets the foundation for long term recovery. The Simply Grace community continues to help many women successfully build their new lives with self confidence.

Our hope is that when people enter our boutique and resale shop they will have an enjoyable and affordable shopping experience. Whether buying an interview outfit for a new job, coming to our shop for an afternoon with friends, or furnishing your entire home, we are here to help! We offer volunteer opportunities and events to give everyone a fun way to be of service to the community.
